

Learning by Design

## Open Day at St. Augustine's Primary School

Wednesday 25<sup>th</sup> April 2007

## Information about St. Augustine's Primary School

### About the day

**An Open Day was held at St. Augustine's Primary School on 25<sup>th</sup> April 2007.** This was organised by Kent Architecture Centre in partnership with Open House London as part of their "Learning by Design" programme, an initiative to establish closer connections between schools, architects and the built environment.

30 people, from architects, headteachers to school governors, attended the three tours organised throughout the day.

The tours were led by Guy Hollaway and Gary Tidwell from ctmarshitects, who designed the highly acclaimed school, winner of the RIBA National Award in 2005, winner of the 'Public Buildings Category Winner' and 'Overall Winner' at the Kent Building Design Awards.

For further information about the school please visit [www.ctmarshitects.co.uk](http://www.ctmarshitects.co.uk) or [www.architecturecentre.org/documents/education/learning\\_by\\_design\\_staugustines.pdf](http://www.architecturecentre.org/documents/education/learning_by_design_staugustines.pdf).
